INTRODUCTION

Organization

If this is your first Paymaster, you may want to know more about its organization. Because below-the-line labor is so complex, we've paid special attention to **Chapters 4 & 5 – IATSE and Basic Crafts**. These chapters are broken down by union local number, and each union local is divided into Studio and Distant Locations. These divisions have two components: wage schedules and working conditions. In most cases, the conditions are separated accordingly: On Production/Report To, Bus To, Off Production/Report To, On Call, and Holidays. There is also an IATSE Provisions section with consolidate information for Meals, Rest Periods, Studio Zones, and Sick Leave.

The EP Occupation Code tables are included to serve Entertainment Partners' clients.

SAG-AFTRA
ULTRA LOW, MODERATE LOW, AND LOW BUDGET THEATRICAL AGREEMENTS

CONSECUTIVE EMPLOYMENT

Weekly performers may be dismissed and recalled without payment for intervening days.

Weekly Performers Partial Workweek:

In any final partial work week, additional days may be pro-rated at 1/5th of the weekly base rate for each day.

Provided each Performer is given at least thirty-six (36) consecutive hours off in each seven (7) days and subject to each Performer's written consent, a Performer may be called for work on a sixth day of work without the payment of a premium, provided that Performer is paid not less than an additional day's pay (one fifth of the weekly rate for a Weekly Performer) for each such sixth day. The sixth day for both Day Performers and Weekly Performers shall be limited to eight (8) consecutive straight time hours. BACKGROUND ACTORS – LOW BUDGET AGREEMENT

The first 30 Background Actors each day shall be employed under the terms of Schedules X-I and X-II of the current Basic Agreement.

BACKGROUND ACTORS EMPLOYMENT INCENTIVE – MODERATE LOW BUDGET PROJECT AGREEMENT

As an incentive to provide employment opportunities for Background Actors in those areas where SAG-AFTRA has jurisdiction, SAG-AFTRA will agree to increase the applicable total production cost maximum by \$112,000 if the Producer meets the following criteria:

- a) Producer shall employ a minimum average of three (3) SAG-AFTRA covered Background Actors for each day of principal photography, not including rehearsal days, over the course of the production. [Example: If a production has 20 production days, Producer would be required to employ at least 60 (3 x 20) Background Actors on the production. The requirement would be met by employing 3 Background Actors per day on all 20 days or by utilizing covered Background Actors on specific days to meet the required number.]
- b) Producer must notify SAG-AFTRA in writing of their intent to utilize this incentive prior to the commencement of principal photography. Failure to do so invalidates this incentive, regardless of how many SAG-AFTRA covered Background Actors are employed on the production.
- c) In order to verify compliance with this incentive, Producer must submit detailed weekly payroll reports for the SAG-AFTRA covered Background Actors in addition to having met its existing contractual obligations to submit the daily Production Time Reports. Failure to provide both sets of documents invalidates the utilization of this incentive.

All terms of Schedule X-I or X-II of the Basic Agreement shall apply to the employment of Background Actors employed pursuant to this incentive.

MINIMUM RATES

No work shall be scheduled in excess of 12 hours within any 24-hour period. The professional performer may consent to work more than 12 hours in a work day, without the Guild's consent, however, Producer shall compensate the professional performer at a rate equal to two times the professional performer's negotiated straight time rate **or** the day performer scale rate under the Letter Agreement for Modified Low-Budget Theatrical Pictures, whichever rate is higher, for any time worked in excess of 12 hours in a day.

With respect to any television series, such point may be changed by Producer at the beginning of each season. Commencing outside the ten (10) mile radius, a mileage allowance will be paid as provided above. When a background actor reports for work within the studio zone other than at a studio, the Producer will pay for parking in a supervised public parking lot. If no such public parking is available, the Producer will provide supervised or secured lawful parking. Work at another studio is not a "zone" location.

If the services of the background actors are required other than the place of reporting, the Producer will furnish the necessary transportation except when the background actor is furnished an automobile allowance and mileage.

In general, travel time shall be treated as time worked. If work is to be performed away from the studio but within the studio zone, the Producer may either furnish transportation from the studio to such location or pay the background actor \$.30 cents per mile for the background actor to provide his own transportation. The Producer shall pay traveling and living expenses if he required a background actor to work at a distant location.

When a background actor is required to report to a location within the Los Angeles Secondary Studio Zone and Producer does not furnish transportation, the following shall apply:

The definition of the Studio Zone in Paragraph 21 of the Agreement includes the following locations: Agua Dulce, Castaic (including Lake Castaic), Leo Carrillo State Beach, Ontario International Airport, Piru, and Pomona (including the Los Angeles County Fair Grounds).

With respect to work at any studio zone location, Producer shall either furnish transportation to the employee or, at its option, may require employee to report at such location, in which case it will allow mileage of thirty cents (30¢) per mile computed between the studio and zone location and return.

As to theatrical motion pictures only, the Producer shall not be required to pay a mileage allowance to any employee reporting to a "zone location" within Los Angeles County which is within a ten (10) mile radius from a point to be designated by the Producer. ¹ Schedule B Apprentice Publicist

- a) No apprentice shall be assigned to a production unit except under the direct supervision of a Junior Publicist or a Senior Publicist/Unit Production Publicist who shall also be assigned to such production unit.
- b) After not more than twelve (12) months of continuous employment with the Producer, Apprentices shall be advanced to Junior Publicists. No advancement of a Junior Publicist to Senior Publicist/Unit Production Publicist shall be required because of such advancement; however, until the Senior Publicist/Unit Production Publicist - Junior Publicist ratio in the table in footnote 4 below is restored, no additional Apprentices may be employed by the Producer to replace such advanced Apprentices.
- c) The Producer, at its discretion, may credit a newly-employed Apprentice with any portion of previous employment with any other Producer; however, no person who has attained the status of Junior Publicist in the motion picture industry shall thereafter be employed as an Apprentice.

d) A Junior Publicist, upon completion of twelve (12) months of continuous employment in Service Bracket F, shall be eligible for promotion to Senior Publicist/Unit Production Publicist, but the Producer shall not be obligated to so promote such Junior Publicist. Nothing herein contained shall prevent the Producer from promoting any Junior Publicist at any time during his employment.

e) Upon completion of the last service bracket as a Junior Publicist, the Head of the Publicity Department shall meet with the Junior Publicist to review his work record and prospects for promotion to Senior Publicist/Unit Production Publicist.

² The weekly rate for Schedule B employees includes payment for forty (40) hours at straight time and eight and six-tenths (8.6) hours at time and one-half.

³ Reduction of pay for days of absence shall be at the rate of one-fifth (1/5) of the employee's weekly guaranteed salary for each

⁴ The ratio of Senior Publicists/Unit Production Publicists and Junior Publicists employed to Apprentices shall be as follows:

Total Number of Senior Publicists/Unit Production Publicists and Junior Publicists Employed	Maximum Number of Junior Publicists Allowed (included in the number of Publicists employed as indicated in the left-hand column)	Maximum Number of Apprentice Publicists Allowed (not included in the first column total)
1	0	1
2–3	1	1
4–6	2	2
7–9	4	3
10 or more*	5	4

* When the total number of Senior Publicists and Unit Production Publicists employed by the Producer is (10) or more, the maximum number of Junior Publicists allowed shall be half the aggregate number of Senior Publicists and Unit Production Publicists employed, and the maximum number of Apprentice Publicists allowed shall be one fewer than the number of Junior Publicists employed. For example, if the total number of Senior Publicists and Unit Production Publicists employed by the Producer is 24, the maximum number of Junior Publicists allowed shall be 12, and the maximum number of Apprentice Publicists allowed shall be 11.

- a) In the event the ratio of Senior Publicists/Unit Production Publicists and Junior Publicists becomes unbalanced as a result of the voluntary resignation of any Senior Publicist/Unit Production Publicist, the Producer shall not be required to dismiss any Junior Publicist solely to maintain the scheduled ratio.
- b) Whenever the ratio is unbalanced, as provided in (a) above, no additional Junior or Apprentice Publicists shall be employed until the ratio has been restored by additional employment of Senior Publicists/Unit Production Publicists.
- c) When the ratio is unbalanced upon the effective date of this Agreement, the Producer shall not be required to make changes, and it is agreed that no additional Junior or Apprentice Publicists shall be employed until the ratio has been restored.

⁵ Service Brackets and Starting Dates

- a) For determining the appropriate "service brackets" in the wage scales for Junior Publicists, a Junior Publicist shall receive credit for all employment as a Publicist in the motion picture production industry in Los Angeles County, California after January 1, 1945.
- b) Each Junior Publicist shall be given an employment "starting date" as a result of such accumulated previous employment in the motion picture production industry in Los Angeles County, California, and his minimum rate of pay shall be periodically advanced in accordance with the schedule of "service brackets."
- c) Any Junior Publicist employed in Service Bracket B or above shall be presumed to have accrued, for the purpose of periodic advancement only, the necessary previous continuous employment.

⁶ Junior Trailer Supervisor

- a) Any Junior Trailer Supervisor employed in Service Bracket B or above shall be presumed to have accrued, for the purpose of periodic advancement only, the necessary previous employment.
- b) After thirty-six (36) months of employment, a Junior Trailer Supervisor shall be promoted to Trailer Supervisor.

In the latter case, employment shall first be offered to the individual(s) who performed work during the regular post production period in the job classification(s) in which the additional work is to be performed. If such individual(s) accepts the offer of employment, he (they) shall be paid at the rate under which he (they) was (were) formerly employed. Employees may also be employed under Schedule A-1 or A-2 for electronic sound editing on motion pictures other than theatrical motion pictures, but such daily schedule employment shall not be used for the purpose of avoiding premium pay for the sixth or seventh day worked in an employee's workweek. In addition, Assistant Editors and Librarians may be employed on a daily basis due to temporary increases in workload (including temp dubs).

Except as provided above, employment under Schedule A-1 or A-2 shall be on an emergency basis only. The Producer shall immediately notify the Union of its intention to employ a Schedule A-1 or A-2 employee in an emergency and state the emergency purpose for which the employee will be employed.

² Z-1 Editors (Occ. Code Nos. 4121, 4123, 4125 and 4131, inclusive) shall not be transferred between Schedules C-1 and D-1 during a specific assignment.

³ Weekly Editorial Employees

a) Editorial employees under this schedule shall be paid at the scheduled Regular Basic Hourly Rate for the first forty (40) hours of the five-day workweek and not less than one and one-half (1½) times such basic hourly rate of pay for all time over forty (40) hours in such workweek, with a guarantee that the employee shall receive, for regular time and for such overtime as the necessities of the business may demand, a sum not less than the scheduled weekly guarantee for each five-day workweek.

- b) The guaranteed pay of weekly editorial employees who absent themselves without the employer's consent may be reduced one-fifth (1/5) of the weekly guarantee for each day of absence.
- c) A combination of employment under studio and distant location schedules may be used to fulfill the weekly guarantee of five (5) days for studio employment (subject to Paragraph 8).

⁴ Schedule B-1 shall apply only if and when a Sound Editor or a Music Editor is assigned and required by Producer to perform any or all of the following duties in addition to the duties described in "Definitions and Duties of Job Classifications," Paragraphs 99 and 100, respectively:

- a) Sound Editor - Go on stages to supervise, create and/or synchronize footsteps, movements or sound of any nature, on any picture which has been photographed silent or where the sound must be recreated.
- b) Music Editor - Select music tracks for the purpose of "tracking" or "temp dubbing" of motion pictures; go on stages to direct or advise actors or artists in performing their actions to synchronize with music or sound sequences or to make decisions in regard to approving takes for synchronization; editing music film tracks for phonograph records.

Employees in Classifications Z-5, Z-6 and Z-10:

- a) For determining the appropriate Service Bracket of employees in classifications Z-5, Z-6 and Z-10 in the wage scales above, all previous employment (as defined in subparagraph (b) below) in the motion picture industry shall be credited. No such employee shall be required to repeat any Service Bracket with any Producer.
- b) The minimum rate of pay of employees in classifications Z-5, Z-6 and Z-10 shall be periodically advanced in accordance with the above schedule of Service Brackets. Each Service Bracket period shall be one hundred twenty (120) days of accrual employment in the respective classification or the lapse of six (6) calendar months, whichever period of time is the greater.
- (c) An Assistant Editor, when advanced to the classification of Sound Editor or Music Editor, or a Librarian when advanced to the classification of Assistant Editor or Sound Editor or Music Editor, shall receive the appropriate hourly rate in the advanced classification equal to his current rate or, if such rate is not provided in such advanced classification, then the next rate higher than his current rate shall be applicable and the Service Bracket provisions of subparagraph (b) shall apply.

⁵ When any Music Editor or Sound Editor is assigned complete charge of the work in his classification and the Head Music Editor or Head Sound Editor, as the case may be, does not directly supervise such work, then such Music Editor or Sound Editor, as the case may be, shall be paid the rates set forth in Schedule F-1.

¹ When any Music Editor or Sound Editor is assigned complete charge of the work in his classification and the Head Music Editor or Head Sound Editor, as the case may be, does not directly supervise such work, then such Music Editor or Sound Editor, as the case may be, shall be paid the rates set forth in Schedule F-1.

² Employees may be employed under Schedule A-1 in the following circumstances: for the purpose of replacing employees who are given time off pursuant to Paragraph 7.1, for work on screen tests or for additional work to be performed after the final dub. In the latter case, employment shall first be offered to the individual(s) who performed work during the regular post-production period in the job classification(s) in which the additional work is to be performed. If such individual(s) accepts the offer of employment, he (they) shall be paid at the rate under which he (they) was (were) formerly employed. Employees may also be employed under Schedule A-1 for electronic sound editing on motion pictures other than theatrical motion pictures, but such daily schedule employment shall not be used for the purpose of avoiding premium pay for the sixth or seventh day worked in an employee's workweek. In addition, Assistant Editors and Librarians may be employed on a daily basis due to temporary increases in workload when replacing someone absent for personal reasons for up to five days (including temp dubs).

Except as provided above, employment under Schedule A-1 shall be on an emergency basis only. The Producer shall immediately notify the Union of its intention to employ a Schedule A-1 employee in an emergency and state the emergency purpose for which the employee will be employed.

³ Weekly Editorial Employees

- a) Editorial employees under this schedule shall be paid at the scheduled Regular Basic Hourly Rate for the first forty (40) hours of the six-day workweek and not less than one and one-half (1½) times such basic hourly rate of pay for all time over forty (40) hours in such workweek, with a guarantee that the employee shall receive, for regular time and for such overtime as the necessities of the business may demand, a sum not less than the scheduled weekly guarantee for each six-day workweek.
- b) The guaranteed pay of weekly employees who absent themselves without the employer's consent may be reduced one-sixth (1/6) of the weekly guarantee for each day of absence.

⁴ Schedule B-1 shall apply only if and when a Sound Editor or a Music Editor is assigned and required by Producer to perform any or all of the following duties in addition to the duties described in "Definitions and Duties of Job Classifications," Paragraphs 99 and 100, respectively:

- a) Sound Editor - Go on stages to supervise, create and/or synchronize footsteps, movements or sound of any nature, on any picture which has been photographed silent or where the sound must be recreated.
- b) Music Editor - Select music tracks for the purpose of "tracking" or "temp dubbing" of motion pictures; go on stages to direct or advise actors or artists in performing their actions to synchronize with music or sound sequences or to make decisions in regard to approving takes for synchronization; editing music film tracks for phonograph records.

Employees in Classifications Z-5, Z-6 and Z-10

- a) For determining the appropriate Service Bracket of employees in classifications Z-5, Z-6 and Z-10 in the wage scales above, all previous employment (as defined in subparagraph (b) below) in the motion picture industry shall be credited. No such employee shall be required to repeat any Service Bracket with any Producer.
- b) The minimum rate of pay of employees in classifications Z-5, Z-6 and Z-10 shall be periodically advanced in accordance with the above schedule of Service Brackets. Each Service Bracket period shall be one hundred twenty (120) days of accrual employment in the respective classification or the lapse of six (6) calendar months, whichever period of time is the greater.
- c) An Assistant Editor, when advanced to the classification of Sound Editor or Music Editor, or a Librarian when advanced to the classification of Assistant Editor or Sound Editor or Music Editor, shall receive the appropriate hourly rate in the advanced classification equal to his current rate or, if such rate is not provided in such advanced classification, then the next rate higher than his current rate shall be applicable and the Service Bracket provisions of subparagraph (b) shall apply.

⁵ Z-1 Editors (Occ. Code No. 4121) shall not be transferred between Schedules D-1 and C-1 during a specific assignment.

⁶ This rate is for five (5) days only. See subparagraph (f) for rates applicable to six (6) days and seven (7) days within a payroll week.

⁷ All Schedule B-3 and B-4 (Weekly) employees are guaranteed a minimum employment of six (6) consecutive days. After this minimum guarantee has been fulfilled, employment may be continued at Schedule B-3 and B-4 rates until termination.

⁸ Entry Level - One calendar year to move to Journeyperson.

⁹ Any Mixer regularly assigned as a Supervising Re-recording Mixer (Occ. ¹ Special Reading rate will be paid for the following:

- a) Editorial Work, which shall be deemed to mean any assignment in which the employee is directed to supervise the work of other employees and/or evaluate literary and/or dramatic material from the synopsis of said employees.
- b) Oral Submissions, which shall be deemed to mean any assignment in which the employee is directed to make any synopsis of, and/or written comment upon, any material which is submitted in oral, rather than written form, including the coverage of plays, radio, motion pictures or television broadcasts; provided, however, that if the employee has available the mechanical means of reproducing such submitted material by either audio or visual means, or has available written material covering such submitted material, then the special reading rate shall not be applicable.
- (c) Detailed Critique or Break-down Analysis, including editorial comment and suggestions ordered by Producer.

Legal Comparisons:

Legal comparisons, (which shall be deemed to mean written comparisons involving an extensive comparison of two or more literary works prepared for use in court litigation), shall be subject to individual negotiation between the employee and the Producer, but in no event shall such negotiated rate be less than the Treatment Synopsis Rate. Comparisons other than extensive comparisons shall be paid for at a negotiated rate not less than the Special Reading Rate. If the Producer and the employee cannot agree on the terms for any legal comparison, the Producer shall not be obligated to employ persons subject to this Agreement for such work. In such individual negotiations between the employee and the Producer, if the employee so requests, the Business Representative of the Union may represent the employee. This provision shall not be construed to apply to attorneys or paralegals.

Treatment Synopsis:

In the event that an employee is directed by the head of the Producer's Story Department to make basic alterations involving creation or invention in a literary property or combination of literary properties in the synopsizing of such literary property or a combination of literary properties: (a) prior to purchase, in order to assist Producer in determining whether the same is suitable for purchase and use by Producer; or (b) at any time subsequent to the purchase of such property or properties or any rights therein by the Producer, then such work when so performed shall be deemed to be a "Treatment Synopsis" and such employee shall be compensated at the "Treatment Synopsis" rate of pay.

No such above work shall be regarded as time spent as a Writer and shall not be counted in accumulating time spent as a Writer in determining whether or not such employee is a qualified Writer at any time thereafter. Provided, however, that in the event an employee is so directed to and is actually engaged on a "Treatment Synopsis" or a literary property or combination of literary properties at any time subsequent to the purchase of such property or properties (as set forth in (b) above), and the consecutive time so spent by such employee on such assignment is one full workweek or more, then the entire time during which such employee was so engaged upon such assignment shall be regarded as time spent as a Writer and shall be counted in accumulating time spent as a Writer in order to determine whether or not such employee is a qualified Writer at any time thereafter.

It is clearly understood that Producer may employ persons other than Screen Story Analysts to create a "Treatment Synopsis," as above provided, and such persons shall not be subject to the terms of this Agreement.

Foreign Translations:

Foreign Translations (which shall be deemed to mean the translation into English of literary and/or dramatic material and/or written communications in any language other than English, or the translation of English material into any foreign language), shall be subject to individual negotiation between the employee and the Producer. If the Producer and the employee cannot agree on the terms for any Foreign Translation, the Producer shall not be obligated to employ persons subject to this Agreement for such work. In such individual negotiations between the employee and the Producer, if the employee so requests, the Business Representative of the Union may represent the employee.

² No employee who has completed twenty-four (24) months of cumulative employment in the Motion Picture Industry shall be employed thereafter at less than the "D" Service Bracket rate.

All time completed with Producer in a given Service Bracket shall be treated as time spent in that Service Bracket for the purpose of determining advancement with the Producer to the next Service Bracket, notwithstanding that the employee might have skipped (or only partially completed) an earlier Service Bracket. Employer is not bound to employ employee in the same Service Bracket as that obtained with the preceding employer except to the extent that such service with the preceding employer may be credited to his continuous employment record hereunder.

An employee who, within the three (3) month period preceding his employment hereunder with Producer, has completed two (2) or more months in Service Bracket A or B with another Producer, shall have such service credited to his cumulative employment record with Producer when so employed hereunder, provided that such employee was not discharged for cause by such other Producer.

³ The Foreign Reading rate will be paid for: Foreign Reading, which shall be deemed to mean any assignment in which the employee is directed to read and/or synthesize and/or comment upon literary and/or dramatic material written in any language other than English. Such rates of pay shall be twenty percent (20%) higher than the appropriate Special Reading Rate classification.

- a) Employees under this schedule shall be paid at the scheduled Regular Basic Hourly Rate for the first forty (40) hours of the five-day workweek and not less than one and one-half (1½) times such Regular Basic Hourly Rate of pay for all time over forty (40) hours in such workweek, with a guarantee that the employee shall receive, for regular time and for such overtime as the necessities of the business may demand, a sum not less than the scheduled weekly guarantee for each five-day workweek.
- b) The guaranteed pay of weekly employees who absent themselves without the employer's consent may be reduced one fifth (1/5) of the weekly guarantee for each day of absence.
- c) A combination of employment under studio and distant location schedules may be used to fulfill the weekly guarantee of five (5) days for studio employment.

² Effective only when the Producer does not maintain a bona fide Costume Department for the show.³ Employees in such job classifications not under the supervision of a Costume Department Head may bargain individually for higher rates.⁴ Absent a Costume Department, a #2302 Costume Department Supervisor will be the first person hired on a production.

⁵ A Costumer Keyperson must be assigned to a production prior to the hiring of a Costumer.

It is not the intent of the Producer to replace a Costumer Entry Level who becomes eligible to receive the Journeyperson Costumer rate solely to avoid paying a higher rate of pay. However, nothing in this provision shall infringe on the right of the Producer to terminate, replace or lay off any such employee.

⁸ Individuals employed in a Costume Maker Class 3 job classification other than those employed in a Producer-owned studio facility shall be paid \$54.30 per hour effective August 4, 2024 (\$56.47 per hour effective August 3, 2025 and \$58.45 per hour effective August 2, 2026).

¹ Weekly Employees

a) Employees under this schedule shall be paid at the scheduled Regular Basic Hourly Rate for the first forty (40) hours of the five-day workweek and not less than one and one-half (1½) times such basic hourly rate of pay for all time over forty (40) hours in such workweek, with a guarantee that the employee shall receive, for regular time and for such overtime as the necessities of the business may demand, a sum not less than the scheduled weekly guarantee for each five-day workweek.

b) The guaranteed pay of weekly employees who absent themselves without the employer's consent may be reduced one-fifth (1/5) of the weekly guarantee for each day of absence.

c) A combination of employment under studio and distant location schedules may be used to fulfill the guarantee of five (5) days for studio employment.

² For determining the appropriate classification of the presently employed Script Supervisors, each such employee's previous experience as a Script Supervisor in the Motion Picture Industry, not to exceed three (3) years, will be certified by the Union. For this purpose, one (1) year shall be deemed to mean a total of two hundred (200) days, not necessarily consecutive, of actual employment as a Script Supervisor, or the lapse of one (1) calendar year, whichever is the longer period of time.

³ When a Script Supervisor, currently employed, is assigned by the employer to be responsible for supervision of the work of one (1) or more Script Supervisors, such employee shall be paid an additional ten percent (10%) of the Occ. Code #7703 rate. This is not applicable when a person is initially employed as a Script Supervisor to supervise at a rate not less than Occ. Code #7703 plus ten percent (10%) of the #7703 rate. The foregoing shall not apply in any case in which an employee assumes the responsibility of supervising other employees on his own initiative and without the specific approval of the Producer. The additional compensation shall be paid only for the period that the Script Supervisor is assigned to supervise or be responsible for the work of a second Script Supervisor.

CANCELLATION/POSTPONEMENT OF PRODUCTION

On Hollywood-based theatrical motion pictures, Producer shall give at least 2 weeks' notice prior to the start date, if practicable, and 1 week's pay to a Script Supervisor who has been mutually contractually bound, orally or in writing to work on a definite production to start at an approximately set date and the production is cancelled or postponed.

For Long Form television (over 90 minutes), if at the time of cancellation, a Script Supervisor has not started to receive prep pay, said Script Supervisor shall be paid 1 week of prep pay. If the Script Supervisor has started to receive prep pay, said Script Supervisor shall be paid the entire prep allowance. Such payment shall be only for the balance of unpaid prep pay and any prep pay already paid shall be offset against the total prep pay.

IATSE OCCUPATION CODE LIST

NOTE: To assist ENTERTAINMENT PARTNERS payroll clients, the following pages contain the EP Occupation Codes for the Los Angeles IATSE Basic Agreement, New Television and Videotape Sideletter, MOW Long-form Sideletter. See Fringes for current applicable pension rates.

ABOUT OCCUPATION CODES

What is commonly referred to as an employee's "Occupation Code" is in actuality a 3-part designation of the Union, Classification, and Schedule. Every employee receiving The Motion Picture Industry Pension and Health Plan's (MPIPHP) benefits must be reported in a very structured manner, which allows MPIPHP to audit benefit contributions.

Occupation Code = Local + Classification + Schedule

MPIPHP has assigned 4-digit numeric indicators for each specific job classification.

For certain Sideletters (e.g., Long-form), MPIPHP has assigned unique classification coding. Although most unions have 4-digit classifications, some (e.g., Local 893) have 5.

The Schedules assigned by MPIPHP vary from A-E. Whereas a Schedule A is always a "Daily," the rest of the schedules vary from local to local (a Schedule C might be Exempt with one local, but a Weekly with another). For this reason, EP developed a 2-digit numeric system to identify the various schedules.

EP SCHEDULES		
01	Daily	1.5 after 8
40	40 hr. Weekly	1.5 after 40
43	43.2 hr. Weekly	1.5 after 40
45	45 hr. Weekly	1.5 after 40
48	48.6 hr. Weekly	1.5 after 40
50	50 hr Weekly	1.5 after 40

ABOUT OCCUPATION CODES

BASIC CRAFTS OCCUPATION CODE LIST

NOTE: To assist ENTERTAINMENT PARTNERS payroll clients, the following pages contain the EP Occupation Codes for the Basic Crafts, and Teamster Agreements. See Fringes for current applicable pension rates.

ABOUT OCCUPATION CODES

What is commonly referred to as an employee's "Occupation Code" is in actuality a 3-part designation of the Union, Classification, and Schedule. Every employee receiving The Motion Picture Industry Pension and Health Plan's (MPIPHP) benefits must be reported in a very structured manner, which allows MPIPHP to audit benefit contributions.

Occupation Code = Local + Classification + Schedule

MPIPHP has assigned 4-digit numeric indicators for each specific job classification.

For certain Sideletters (e.g., Long-form), MPIPHP has assigned unique classification coding. Although most unions have 4-digit classifications, some (e.g., Local 893) have 5.

The Schedules assigned by MPIPHP vary from A-E. Whereas a Schedule A is always a "Daily," the rest of the schedules vary from local to local (a Schedule C might be Exempt with one local, but a Weekly with another). For this reason, EP developed a 2-digit numeric system to identify the various schedules.

EP SCHEDULES					
01	Daily	1.5 after 8	00	Daily	1.5 after 9
40	40 hr. Weekly	1.5 after 40	44	43.2 hr. Weekly	1.5 after 9.3 daily
43	43.2 hr. Weekly	1.5 after 40	49	48.6 hr. Weekly	1.5 after 48.6
45	45 hr. Weekly	1.5 after 40	55	54 hr. Weekly	1.5 after 54
48	48.6 hr. Weekly	1.5 after 40			
54	54 hr. Weekly	1.5 after 40			
56	On Call				

NOTE: See footnotes/conditions for rate adjustments.

MILEAGE AND PER DIEM

MILEAGE

The federal standard mileage rate for transportation expenses paid or incurred on or after January 1, 2025, has been set at \$0.70 per mile for all miles of use for business purposes.

Per Diem & Mileage:

Non-Accountable Employee Business Expenses.

The following regulations are subject to possible changes in interpretation, if significant changes do occur before the release of the next Entertainment Partners Paymaster Rate Guide, we will post them on our web site at ep.com with revision pages in the next update:

- 1) **Reporting** – If payments are made in excess of prescribed federal limits, the employer involved should report them on form W-2 segregated between the portion that is allowable (i.e., federal limit) and the portion which is taxable (i.e., total paid - allowable = taxable). The allowable portion will be reported on form W-2 for information purposes only, while the taxable portion will be included with other forms of gross compensation (e.g., salary, box rentals, etc.) that are required to be reported for purposes of computing an individual's tax liability.
- 2) **Withholding** – Since July 1, 1990, withholding has been invoked on the taxable portion of these types of payments. For example, if a daily per diem allowance of \$150 were provided in a location where the federal limit amounted to \$100, the taxable portion (i.e., \$50) would be added with other income subject to withholding (e.g., salary).
- 3) **Allowable (Tax-Free) Per Diems** – Rates for Per Diems are set by the Federal Government and can be obtained from the IRS. Per diems are determined by the location the employee is traveling to.

NOTE: The Domestic Per Diem Rates are updated on a fiscal year cycle, effective October 1 of each year. Please visit our website at ep.com for additional information.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

Disclaimer: The rates specified in this agreement are available only to those productions working under a Term Signatory. Productions with a single production basis will not have these rates available to them. EP highly recommends each production consult with outside labor counsel regarding each agreement and the applicable rates.

2023-2025

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
CONDITIONS

NOTE: The following text has been included as a generalization of the 2023-2025 Low Budget Theatrical ratified agreement and is based upon the standard Low Budget Theatrical Agreement. It is included here as a reference to basic guidelines and is not intended as a substitute for the contract.

ARTICLE I – SCOPE AND APPLICATION

- A. This Agreement shall be applicable to all low budget theatrical productions (as defined herein), produced in the United States... by Employer... for first exhibition in theatrical release. As set forth herein, this Agreement shall be applicable to any feature length motion picture which has production costs budgeted within the low budget tiers reflected below. Production costs ("production costs") means all production costs, "above" and "below the line" costs, "pre-production," "production," and "post-production." The costs of the premium for a completion bond and the contingency fund not to exceed ten percent (10%) of the budget shall not be included as part of the production costs.
- B. During the term of this Agreement,¹ the low budget tiers shall be as follows:

<u>ULTRA-LOW</u>	<u>TIER ONE A</u>	<u>TIER ONE B</u>	<u>TIER TWO</u>	<u>TIER THREE</u>
At least fifteen (15) days of scheduled principal photography and production costs budgeted at no more than 3 million dollars (\$3,000,000)	Production costs budgeted over 3 million dollars and not more than 6.25 million dollars (\$3,000,001 to \$6,250,000)	Production costs budgeted over 6.25 million dollars and not more than 9 million dollars (\$6,250,001 to \$9,000,000)	Production costs budgeted over 9 million dollars and at not more than 12.5 million dollars (\$9,000,001 to \$12,500,000)	Production costs budgeted over 12.5 million dollars and at not more than 15 million dollars (\$12,500,001 to \$15,000,000)

¹ The applicable tier shall be based on the date on which principal photography commences and computed in US dollars. January 1st anniversary date wage rate and benefit contribution increases shall not be deemed "production costs" for films which commence principal photography prior to such anniversary date.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

ARTICLE II – RECOGNITION

- A. Production coordinators, assistant production coordinators, production accountants, assistant production accountants, art department coordinators, publicists, and story analysts shall be included on a production basis only.

ARTICLE XV – MINIMUM TERMS AND CONDITIONS

The wage scales and working condition provisions of this Agreement shall be minimums and employees shall not be precluded from obtaining "better conditions" as that term is understood in the motion picture industry. Any employee enjoying such better conditions shall not have their wages or working conditions reduced as a consequence of this Agreement.

ARTICLE XVI – ASSISTANCE/INTERCHANGE

Where the grip, property and electric departments have been staffed by a department head, assistant and a Journeyperson, they and others within said departments may assist each other in the performance of the respective duties of said departments.

The parties recognize the importance of adequate staffing of the sound department. In accordance with the foregoing, in the event an employer elects to utilize a sound department consisting of fewer than three people, the Sound Mixer's recommendations with respect to staffing of the sound department shall be considered in good faith.

ARTICLE XVII – WORK DAY, WEEK AND MINIMUM CALLS

- A. The work week shall be any five (5) or six (6) consecutive work days within seven (7) consecutive days. The work week may be shifted two (2) times without incurring additional costs during principal photography. The foregoing applies to both the main unit and any second unit independently and such units' work week weeks need not be identical or simultaneously shifted. Reasonable advance notice shall be given of any work week shift which shall be subject to a minimum thirty-two (32) hour rest period and there must be at least one full work week between shifts.
- B. The minimum daily work call during pre-production and production shall be eight (8) hours excluding meals. Work time begins at the time of the set call and ends at the time of set dismissal. The minimum call on a travel only day shall be four (4) hours and the maximum shall be eight (8) hours paid as a straight time allowance. On a day when an employee is required to both work and travel, all hours such day shall be considered work hours.

ARTICLE XVIII – OVERTIME

- A. The first eight (8) work hours during the first five (5) days of a work week shall be at straight time. Work hours in excess of eight (8) on the first five (5) days of the work week and on a sixth work day shall be paid at time and one-half. Double time shall be paid on the first six (6) work days of the work week and for all hours worked on a seventh work day in a work week or on a designated holiday in the following manner:
1. After thirteen (13) hours worked from February 1, 2023 through December 31, 2024.
 2. After twelve (12) hours worked beginning on January 1, 2025.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

- B. In order to discourage excessively long work days, work hours beyond fifteen (15) on any day shall be paid at triple time.
- C. All time is to be computed in one-tenth (1/10) hourly units and overtime premiums shall not be compounded.

ARTICLE XIX – REST PERIODS

There shall be a ten (10) hour rest period from set wrap to set call for both on and off production personnel except as otherwise provided in Article XXI. There will be a fifty-two hour (52) hour rest period following a five (5) day work week and a thirty-two (32) hour rest period following a six (6) day work week. There will be a thirty-two (32) hour rest period preceding the sixth (6th) work day when occurring on the seventh (7th) day of the work week. If the full rest period is not provided, then the employee shall be paid on return to work at the applicable base rate or overtime rate, plus an additional hour of straight time, for all invaded hours or portion thereof if at least eight (8) hours of rest has been provided, or for all hours worked if less than eight (8) hours of rest is provided until a ten (10) hour rest period is provided.

In the event that an employee works more than fourteen (14) hours on two (2) consecutive days, if the required rest period is invaded following the employee's dismissal on the second consecutive day so worked, the employee shall return at their rate in effect at the time of dismissal, plus an additional hour at straight time, for all such invaded hours.

After seven (7) consecutive days of work, or after a sixth (6th) day of work on the seventh (7th) day in a workweek, an employee will receive a twelve (12) hour rest period.

Measurement of the weekend rest period shall be on a "set-to-set" or a "worksites-to-worksites" basis. The penalty for invading the weekend rest period shall be payment of additional straight time for all invaded hours only; provided, however, in the event the weekend rest period is invaded by a partial hour, a full hour of pay of additional straight time shall be due.

ARTICLE XX – MEALS

- A. Meal periods shall not be less than one-half ($\frac{1}{2}$) hour nor more than one (1) hour in length. Not more than one (1) meal period shall be deducted from work time for an employee during the minimum call. (A second meal period may be deducted from work time for those employees who work in excess of the minimum call.) When the Employer furnishes meals, they shall be appropriate for the time of day and shall not be "fast food" with limited dietary options.
- B. The employee's first meal period should commence within six (6) hours following the time of the first call for the day; succeeding meal periods shall commence within six (6) hours after the end of the proceeding meal period. An employee's first meal period shall commence no earlier than three (3) hours after such employee reports for work except for persons called in earlier than the regular crew call who are provided with a hot non-deductible breakfast (within one (1) hour before or after the regular crew call) in which case their first deductible meal period will be due at the same time as the meal is due for the regular crew. Employees receiving a non-deductible breakfast shall be provided up to thirty (30) minutes for such meal.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

C. The first deductible meal period may be extended by fifteen (15) minutes to complete a set up and a second deductible meal period may be extended by thirty (30) minutes to complete a set up and/or wrap. Extensions of the meal periods are not to be scheduled and, if exceeded, meal penalties shall relate back to the time the meal was otherwise due. Any second meal, excluding a non-deductible breakfast, may be a non-deductible walking meal, provided each employee is given a reasonable opportunity to eat and is dismissed within two (2) hours from the time the meal was otherwise due. With respect to all non-deductible meals, the employee shall be given a reasonable opportunity to eat.

D. A meal penalty allowance for delayed meals shall be computed as follows:

First one-half hour meal delay or fraction thereof	\$8.50
Second one-half hour meal delay or fraction thereof	\$11.00
Third and fourth one-half hour meal delay or fraction thereof	\$13.50
Fifth and succeeding one-half hour meal delay or fraction thereof	\$18.00

After twenty (20) meal penalties in a workweek, employees will be paid one (1) hour of pay at the straight time rate for each one-half (1/2) hour delay, which in no event shall be less than \$20 dollars per penalty.

Such allowance shall be in addition to the compensation for work time during the delay and shall not be applied as part of any guarantee.

- E. When an Employer furnishes meals to a shooting unit, and an "off production" crew is working on the same site at the same time for the same production, the Employer will either furnish meals to the "off production" crew or pay the "off production" crew a meal allowance. Payments of per diem to an employee shall be deemed to satisfy the meal allowance obligation.
- F. Contingent upon approval by two-third (2/3) majority vote by secret ballot of the I.A.T.S.E. represented crew supervised by a representative of the affected Local Unions, the Employer may institute an alternative meals system consisting of:
- An eleven (11) hour period of elapsed time commencing with a one (1) hour paid meal period prior to the general crew call during which no work shall be performed, and, ending at crew wrap ("truck wrap"). If the Employer schedules an employee for a pre-call, they may receive either the non-deductible one (1) hour paid meal period, or a one-half (1/2) hour paid meal period prior to the general crew call and two (2) fifteen (15) minute paid breaks during the [ten] (10) hour period of work. For all employees, there shall be a guarantee of eleven (11) hours of pay.
 - Overtime for work performed on the first five (5) work days worked in a work week shall be paid as follows, calculated from the earlier of the start of the one (1) hour paid meal period prior to the general crew call or individual employee's pre-call:
 - Work performed after eight (8) elapsed hours shall be paid for at one and one-half (1.5) times the regular basic hourly rate of pay;
 - Two (2) times the regular basic hourly rate of pay shall be paid after eleven (11) elapsed hours;
 - Two and one-half (2.5) times the regular hourly rate of pay shall be paid after twelve (12) elapsed hours.
 - Three (3) times the regular hourly rate of pay shall be paid after fourteen (14) elapsed hours.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

- c) Paid travel time for employees on distant location shall be paid at the appropriate premium rate, if any. Such travel time shall not accrue additional meal penalties if not already triggered as provided in subparagraph (e) below;
- d) Meal penalties as provided under this Agreement shall apply if work continues past eleven (11) hours of elapsed time commencing with the general crew call, in which case meal penalties shall be paid commencing at the end of the sixth (6th) hour from the conclusion of the one (1) hour paid meal period, or the one-half (1/2) hour meal period as set forth in (a) above. NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

- I. Work time for employees on overnight location, including distant hires under Article XXI (E), shall be calculated on a portal-to-portal basis and they shall be provided with transportation to and from the daily production location. No more than two (2) idle days shall be permitted in a workweek, except as a result of a workweek shift pursuant to Article XVII(A). The foregoing shall not apply to "on call" employees subject to Article XII and the provisions of the BA establish the basis of benefit contributions for 6th and 7th days on distant location.
- L. If the Employer replaces a Distant Hire with a Local Hire, in order to avoid the costs associated with the Distant Hire employee being on overnight location, it shall either give one (1) week notice to the Distant Hire of the replacement or, if such Distant Hire is replaced prior to receiving one (1) week notice, the Employer shall pay for the Distant Hire the balance cost of housing for such Distant Hire plus per diem that the Distant Hire would have received had they continued working for a full one (1) week notice period.

ARTICLE XXII – CANCELLATION / CHANGE OF CALLS

- A. In the event of a cancellation of a call, if notification is not given by 5:00 p.m. of the previous day's work, then the employee shall be paid an eight (8) hour minimum call unless the cancelled call was for travel only, in which case the employee shall be paid a four (4) hour minimum call. For Employees who are not yet on the Employer's payroll, such work call cannot be cancelled.

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

- B. Calls may be changed for current employees by 8:00 p.m. the day preceding the call, or with six (6) hours' notice on the day of the call, provided such notice is given after 7:00 a.m.; in addition, calls may be pushed to a later hour as long as employees receive at least nine (9) hours' notice.
- C. The Employer may issue a "weather-permitting" call for extreme heat, extreme cold, extreme wind, lightning, snow, sleet, ice storms, fire hazard as identified by the National Weather Service, smoke conditions or hurricanes to employees prior to their dismissal for the day and to persons not on payroll up to twelve (12) hours before their call time (even if a call had previously been given). The Employer shall provide notice to the Union upon the issuance of a "weather-permitting" call. The Employer may cancel a "weather-permitting" call up to four (4) hours prior to the call time.

In the event a daily employee is notified not to report to work, they shall be paid four (4) hours of pay at straight time, and the Employer shall contribute one-third (1/3) of the daily amount due under Article XXIV, or, for employees receiving MPIPHP contributions, four hours of benefit contributions; however, if the notification to the daily employee is untimely, the daily employee shall be paid for an eight (8) hour minimum call.

In the event an "on call" employee is notified not to report to work, they shall be paid one-half ($\frac{1}{2}$) of one-fifth (1/5) of his or her weekly rate, and the Employer shall contribute one-third (1/3) of the amount due under Article XXIV, or, for employees receiving MPIPHP contributions, four (4) hours of benefit contributions; however, if the notification to the "on call" employee is untimely, or the Employer authorizes the "on call" employee to work that day, the "on call" employee shall be paid for the day.

The foregoing is in addition to the Employer's rights under the Article XXII(D) below. The Union agrees that it will not unreasonably deny a request by the Employer to issue a "weather-permitting" call under this paragraph for other weather conditions.

- D. Notwithstanding the above, the Employer may cancel calls due to inclement weather (extreme heat, extreme cold, extreme wind, lightning, snow, sleet, ice storms, fire hazard as identified by the National Weather Service, smoke conditions or hurricanes), provided that the Employer provides notice to the Union as soon as practicable. The employees must be notified of the cancellation no later than 8:00 p.m. the night before the call. This provision shall also be applicable to calls for the first day of a new workweek (e.g., Monday) so long as the Employer makes the effort to inform employees on the last day of the preceding workweek (i.e., Friday in the case of a Monday call) of the possibility that the call will be cancelled and the employee is notified of the cancellation before 8:00 p.m. on the evening prior to the call (i.e., Sunday in the case of a Monday call.) The Union agrees that it will not unreasonably deny a request by the Employer to cancel a call under this subparagraph (D) due to other weather conditions.

ARTICLE XXIII – HOLIDAYS

- A. The following shall be recognized as holidays: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Good Friday, Memorial Day, Juneteenth, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, and Christmas Day. - B. For work performed in Canada, Employer may elect to observe the following Canadian holidays in lieu of the referenced holidays in this Article:

1. Victoria Day in lieu of Memorial Day; and
2. Canada Day in lieu of Independence Day (July 4th);

provided that the two holidays are within the employee's period of employment and the Employer gives no less than two (2) weeks' notice to the affected employee, unless the employee has been employed fewer than two (2) weeks prior to the first of the two holidays, in which case the Employer will provide notice to the affected employee at the time of hire. When the employee has not been employed on the Canadian holiday set forth above, but is employed to work on the U.S. holiday, the employee shall be paid a premium for the corresponding U.S. holiday.

The Union will not unreasonably deny requests to exchange other Canadian holidays for those listed in this Article (such as Family Day in lieu of Presidents' Day or Easter Monday in lieu of Good Friday).

NATIONAL LOW BUDGET THEATRICAL AGREEMENT
(02/01/2023 – 12/31/2025)

SIDELETTERS

NOTE: The following is intended to memorialize agreements and understandings reached between the parties to the above-referenced Agreement during the course of negotiations.

BASE CAMP POWER AND GENERATORS

The parties confirmed that the installation, connection and striking of temporary electric power sources emanating from a location base camp is work within the jurisdiction of the IATSE.

The operation of generators is within the jurisdiction of the IATSE except where another labor organization has established jurisdiction with motion picture producers covering such work. The foregoing is not a staffing requirement.

ADDITIONAL CLASSIFICATIONS

The specific inclusion of the publicist, marine coordinator and boat handler classifications shall not be deemed to preclude continuation of the past practice of industry employers in securing such services from third party suppliers and subcontractors, provided however, individuals directly employed to render such services shall be appropriately classified and subject to the Agreement.

PROMOTIONAL RIGHTS

The parties confirmed that the rights derived from the services of employees performing their regular duties covered by the Agreement include the right to exploit the proceeds of their services and their likeness, image, or voice in the promotion, marketing, or exploitation of the motion picture. The foregoing does not apply when the likeness, image, or voice appear in the motion picture itself.

WORKWEEK SHIFTS

The IATSE will continue its past practice of considering timely requested waivers to permit additional workweek shifts related to a scheduled holiday hiatus and/or travel to or from an overnight production location.

DIRECTOR OF PHOTOGRAPHY/CAMERA OPERATOR

A Director of Photography ("DP") and the Producer of the film may request that the DP be permitted to also function as a Camera Operator. Such request must be made in writing during the film's pre-production and directed to the IATSE with a copy to the appropriate Camera Local. The IATSE shall have the authority to grant such request based upon special needs or extraordinary circumstances.

The agreement of the DP to operate the camera shall not be a condition of the DP's employment and the DP and Producer shall confirm same in their request.

LOCATION MANAGERS

During the course of negotiations for the 2020-2022 Low Budget Theatrical Agreement the parties agreed to include the classifications of Location Managers and Assistant Locations Managers as covered classifications in recognition that the IATSE represents such employees in numerous geographical locations covered by the Agreement. The parties further agreed that such recognition did not extend to geographical areas where another labor organization had established jurisdiction in such areas reflected in agreements with other employers, including but not limited to New York, Los Angeles, Canada, Georgia, New Mexico, and Michigan, and did not preclude the employment of Location Managers and Assistant Location managers under such agreements to work in geographical areas where such person, if hired locally, would be subject to the 2020-2022 (now 2023-2025) Low Budget Theatrical Agreement.

DGA

Other than "High Budget" SVOD

For those programs produced under the DGA Basic Agreement that do not meet the "High Budget" SVOD criteria, and for all programs produced under the DGA FLTAA, terms and conditions, including wage rates, are freely negotiable so long as they meet or exceed applicable state and/or federal minimums.

Notwithstanding the above, benefit contributions are still due in the amounts laid out in the Agreements.

"High Budget" SVOD & AVOD Programs Defined

To be deemed "High Budget" SVOD, the program must be on a subscriber-based platform (subscription video on demand) and must meet the below budget "high budget" criteria.

To be deemed "High Budget" AVOD, the program must be on a free-to-the-consumer advertiser-supported New Media platform which meet the below "high budget" criteria:

Length of Program	"High Budget" Threshold for Dramatic SVOD & AVOD
20-35 Minutes	\$1,030,000 and above
36-65 Minutes	\$1,750,000 and above
66 Minutes or more	\$3,000,000 and above

Note: Programs less than 20 minutes are not considered "high budget" regardless of the budget.

Length of Program	"High Budget" Threshold for Non-Dramatic SVOD (Per episode)*
20-35 Minutes	\$600,000 and above
36-65 Minutes	\$1,150,000 and above
66-95 Minutes	\$1,500,000 and above
96 Minutes or more	\$2,200,000 and above

Note: Programs less than 20 minutes are not considered "high budget" regardless of the budget.

*The "High Budget Threshold for a High Budget SVOD All Other Program produced and initially exhibited four (4) or more times per week and for a High Budget SVOD Strip Quiz and Game Program shall be \$125,000 or more per episode for a 20-35 minute program and \$150,000 or more per episode for a program 36 minutes or longer.

The "High Budget" Threshold for a High Budget SVOD Strip Variety Program shall be \$150,000 or more per episode for a 20-35 minute program and \$250,000 or more per episode for a program 36 minutes or longer.

"High Budget" Feature-Length Programs Budgeted at \$30,000,000 or More

Notwithstanding the above, the Guild reserves the right to bargain concerning different rates and other conditions of employment for "High Budget" Programs at least 85 minutes in length that are budgeted at \$30,000,000 or more and are intended for initial review on a platform with 20 million or more subscribers.

SAG-AFTRA

Other than High Budget SVOD

Terms and conditions, including wage rates, for programs that do not meet the "High Budget" SVOD criteria are freely negotiable so long as they meet or exceed applicable state and/or federal minimums. Notwithstanding the above, benefit contributions are still due in the amounts laid out in the SAG-AFTRA Television Agreement.

High Budget SVOD Programs

To be deemed High Budget SVOD, the program must be on a subscriber-based platform (subscription video on demand), and must meet the following budget criteria:

Length of Program	High Budget Threshold
20-35 Minutes	\$1,030,000 and above
36-65 Minutes	\$1,750,000 and above
66 Minutes or more	\$3,000,000 and above

Note: Programs less than 20 minutes are not considered "high budget" regardless of the budget.

The High Budget SVOD designation means less for SAG-AFTRA than it does for IATSE, as it does not involve rollback rates or benefit concessions. The more important takeaway is that terms and conditions are not negotiable. Indeed, paying SAG-AFTRA on a High Budget SVOD project is much like paying it on a regular full budget television show, but there are a few things to take into consideration including, but not limited to:

- "Major role" performer provisions do not apply, so performers who would typically be "top of show" can be paid under the daily or weekly schedules
- When the SVOD platform has less than 20 million subscribers or when budgets are less than \$2,100,000 for 20-35 minute programs; \$3,800,000 for 36-65 minute programs; \$4,000,000 for 66-95 minute programs; and \$4,500,000 for programs 96 minutes or more (adding \$2,250,000 for each additional 35 minutes):
 - For series and contract term performers only, the producer may credit amounts earned in excess of 65% of the minimum, but not to exceed the minimum, against any other compensation otherwise due.
 - Travel time can be compensated for at straight time even when premium pay for travel would ordinarily be due.

Effective 02/01/2020, SAG-AFTRA released the following agreements* pertaining to New Media:

- Ultra Low Budget Project Agreement ("UPA") – non-episodic productions budgeted no more than \$300,000.
- Moderate Low Budget Project Agreement ("MPA") – non-episodic productions budgeted above \$300,000 and no more than \$700,000.

* See SAG-AFTRA chapter for rates and additional information on these agreements.

WGA

Other than High Budget SVOD

Terms and conditions, including wage rates, are freely negotiable so long as they meet or exceed applicable state and/or federal minimums. Notwithstanding the above, benefit contributions are still due in the amounts laid out in the WGA Basic Agreement.

High Budget SVOD Programs

To be deemed High Budget SVOD, the program must be on a subscriber-based platform (subscription video on demand), and must meet the following budget criteria:

Length of Program	High Budget Threshold
20-35 Minutes	\$1,030,000 and above
36-65 Minutes	\$1,750,000 and above
66 Minutes or more	\$3,000,000 and above

Note: Programs less than 20 minutes are not considered "high budget" regardless of the budget.

The High Budget SVOD designation means less for WGA than it does for IATSE, as it does not involve rollback rates or benefit concessions. The more important takeaway is that terms and conditions are not negotiable. Indeed, paying WGA on a High Budget SVOD project is much like paying it on a regular full budget television show. The WGA puts out a "Schedule of Minimums" containing detailed rate information. This comprehensive guide can be found on the Guild's website at www.wga.org.

NEW YORK MAJORS IATSE

Other than Low Budget, Mid Budget or High Budget SVOD, AVOD or FAST Channel Programs

Terms and conditions, including wage rates, for programs that do not meet the "Low Budget", "Mid-Budget" or "High Budget" SVOD criteria are freely negotiable so long as they meet or exceed applicable state and/or federal minimums. Notwithstanding the above, benefit contributions are still due per Paragraph E. of the Sideletter for Productions Made for New Media set forth in New York Locals Majors Agreements.

Low Budget, Mid Budget or High Budget SVOD, AVOD and FAST Channel Programs Defined

To be deemed a SVOD, AVOD or FAST Channel Program of Low, Mid or High Budget, it must make for initial exhibition on a subscription video-on-demand consumer pay platform (SVOD), a free-to-the-consumer, advertiser-supported new media platform (AVOD) or a free ad-supported streaming television channel (FAST Channel), and meet the following budget criteria:

Length of Program	Low Budget Threshold	Mid Budget Threshold	High Budget Threshold
20-35 Minutes	Less than \$900,000	\$900,000 or more but less than \$1,300,000	\$1,300,000 and above
36-65 Minutes	Less than \$1,750,000	\$1,750,000 or more but less than \$2,500,000	\$2,500,000 and above
66 Minutes or more*	Less than \$2,100,000	\$2,100,000 or more but less than \$3,000,000	\$3,000,000 and above

Note: Programs less than 20 minutes are not considered "Low", "Mid" or "High Budget" regardless of the budgets and are subject to the terms and conditions of the "Other than Low Budget, Mid Budget or High Budget SVOD, AVOD or FAST Channel Programs".

*The wage rates and working conditions applicable to theatrical motion pictures, as set forth in the New York Majors Agreements, shall apply to a live action High Budget SVOD, AVOD, FAST One-Time Program (other than a pilot) that is 96 minutes or more in length and budgeted at the applicable amounts below and that is intended primarily for use on a subscription consumer pay video-on-demand new media service with 20 million or more subscribers in the United States and Canada.
